Dear Welcome Home Friends and Family,

My, how this year is flying by. I am sure you are all feeling it as well. Yikes!! That gives me a nudge to ask if you could remember the work of Welcome Home with extra in your end of year giving. Years ago I used to feel timid about asking for finances. I am now very proud to ask as I know how funds are used to care for the orphan's, and in the villages stop a lot of suffering. I see the impact we are making physically and spiritually with the love of Christ.

Our Village Social Work Team have been doing a wonderful work all through Covid, much of it organized through networking with agencies for help via phone calls texts and pictures. Featured are 3 young boys who had colostomies. Alex top left is coming to stay with his mum in our staff house so that mum gets the nutrition she needs to produce more breast milk to "fatten" him up (last resort formula). He needs strength for a November surgery.

The children and the staff at WH are all doing very well. I am so proud of them all as I know they are weary like all of us from this COVID season.

Thank you so much for your love and support.
*Blessings from Mandy,
and Your Welcome Home Family.*
