Dear Welcome Home Friends and Family,

April was a very busy month in Uganda. My husband Luke accompanied me because of our CLF church helping WH's Lwambogo village work. These pictured structures were donated to Welcome Home to help us impact the lives of the very needy children in this village, by touching the adults as well as the children. Medical-Dental clinics continue (387 patients in April).

Above: The temporary Sunday school building gives shade.

There continues to be huge needs as the cities become wealthier but the villages struggle because of the lack of education. We are addressing this by bringing on Ben and Chrisine Kragt as part of our full time volunteers. Ben is heading up a very practical trade school, fish farming, etc to help in ministry to youth in Lwambogo & Christine will help with the special needs children in the home. Both are areas of great need.

We are praying for Lora, Lisa and Lois who were in the home in 2003, to be granted scholarships to boarding school. Their mum has not done well despite help given. The girls are without education for 2 years.

We give you a small glimpse into what we do. There is so much we could share. Thank you for caring.

*Blessings from Mandy
and Your Welcome Home Family*
