To Love, Care, and Pray Destitute Babies Back to Health; or into Jesus Loving Arms

2018

Such a sweet natured young boy. Very loving.

Watching the dump truck still a favorite activity..

Dear Welcome Home Friends and Family,

One of the children's favorites, Mumma Leah, is getting ready to head back to Uganda from her Christmas break. Below is a comment from her.

"Each and every child at Welcome Home is a joy and a treasure. I feel honored with the opportunity to get to know them individually - to notice the quiet thinkers, to laugh with the silly, goofy ones, to encourage creativity in the artistic ones. It's also an honor to work alongside the Ugandan staff- to discuss the behavioral issues and how to best handle them, to plan games and activities that promote learning, to tutoring those struggling in school. I love that at WH, each child has the chance to play, laugh, learn, sing, dance and just be a kid!" Thank you Leah for you sacrifice!!!!

Aaron and Lisa our assistant directors are now in Uganda doing some catch up and escaping the snow of Michigan for two weeks. We are pleased with how well they are fitting into their new roles.

For the new donors who have come along side Welcome Home in the past months we want to let you know you are much needed really appreciated. You have joined a wonderful group of faithful partners who have kept our ministry going even when times have been very tough, Thank you all for ministering to our children. It is a wonderful investment to take care of the orphans. Please keep them in your prayers as many have a lot of pain.

Blessings from Mandy, and Your Welcome Home Family.

Leah, making a difference in little lives with love.

Music is a big part of the children's lives.

Good friendships develop in a loving place..

The crazy things that bring joy and entertain.

Love is a two way street with the kids and Leah.

Just in case you miss it, these two are a hoot.
