*Dear Welcome Home Friends and Family,*

**A Happy New Year from all of us at Welcome Home!!!**

We look to see another year of the merciful provision of God through you our partners. **We sincerely thank you for joining with us to help care for the needy children of Uganda.** There is a never ending stream of children needing care and intervention.

Above: Our Watoto children arrive for annual day of love & celebration.

Below Part of the welcoming group excited to see some old friends.

**Our graduates** who have gone onto school and their growing up years **at Watoto** come for what has become an annual visit to the place they call home. Many came with a lot of questions about the past. Our Manager William answered some of their questions but mostly asked them to have thankful hearts to their Heavenly Father who intervened on their behalf to give them a life with a future and a hope and a good schooling opportunity they would never have had.

**Little Timothy's** (now known as **Levi**) open heart surgery went extremely well. His family thanks you for your prayers for him.

***Blessings from Your Welcome Home Family***
