Our home schooling is a very busy time.

Dear Welcome Home Friends and Family,

Our mums are keeping very busy with home schooling. The children are all at home from school at the orphanage and the staff is busy trying to keep them up to date on their lessons so they will not lag behind when school starts up. Pray please.

We have 3 new little young girls come in this past month. The one on left abandoned and the twin girls on the right their mother died when they were 3 weeks old. Their grandmother is not able to care for them. We are a safe secure place they can come to while time is taken to work out future care.

Summer is often a lean time for us financially so many Michigan families have kicked fund raising into high gear to raise funds for the orphanage. In one family the boys are busy getting crawler and worm bait ready for the fishermen along with ice and pop. Their sisters are busy baking cookies to put along side the blue bait refrigerator in their own stand. The boys are hosting a pool party and a day at the cottage at the lake also to raise funds. The adults have organized a big garage sale and are also selling short sleeved and long sleeved t-shirts with Welcome Home logo on them. Please let me know if you interested in ordering one. They are quality material and good fashionable colors. Email me at LMSydo@gmail.com for that connection or for ways that you can help. Hopefully they will be hosting the yearly July picnic.

Medical Clinic A donor gave funds for the land but we still need the remainder of the equipment funds so the building grant can be released.
