**Dear Welcome Home Friends and Family,**

This year is no different than all our years before. There is a never ending stream of abandoned children. We are thankful for the parents who persevere in rough circumstances like the mother pictured to the left. Families are needed for some.

Introducing more of our all-Ugandan staff: **Christine**, our in-house teacher does a superb job with all the children even teaching some a little Dutch. **Beatrice** our nurse keeps an eye on the health of all the children. She does a great job!!

*Below:* A young boy abandoned by mum to a friend, Dad vanished.

We are very thankful for your faithful support and feedback. You are the ones who make all the love and care our children receive possible. We appreciate your participation with us to bring help to the innocent little ones, as we welcome needy children through our gates into security, hope and love.

**Blessings from Your Welcome Home Family**
