

## Our Welcome Home Babies and Staff – Christmas 2007

Dear Welcome Home Friends and Family,

This past month we have been celebrating but with some sadness in our hearts as we have been preparing 5 of our children – David, Elizaphan, Hayley, Joshua Menya and Wilson - for their return to their village families. All of them are adjusting well to their transitional visits home and will make the move soon.

At the same time our dear Esther (Administrator) has decided it is time for her to return home to explore the future the Lord has for her back home in the US. She has served us faithfully for the past 3 years, and invested into the lives of all the children and workers - for which we are deeply thankful. We wish her Gods best for her future and are really going to miss her.

This very full year has flown by so quickly. We are gearing up for our Christmas celebration with our Welcome Home children and workers. We will take the message of the Gospel to the prison children, the hospital children and also with the many village children. And of course we will be celebrating with St. Philomena's orphanage of Iganga.

It is with hearts of much gratitude that we thank you for your part in helping maintain a healthy happy home for all the children.

For those who have been able to give financially **we thank you.**

For those who have prayed, **we thank you.**

For the words of encouragement **we thank you.**

For those who have supplied clothes, diapers, school supplies and toys **we thank you.**

For those who have volunteered their time in their homeland or at the home in Uganda **we thank you.**

**Thank you all so very much !!**

Without you all we would not be able to minister as we do. Your love and support are greatly appreciated.

Have a blessed Christmas and a Happy new Year !

Your Welcome Home Family
